

Sprint 1 plan

(app name) SPACE

(team name) Team Voyager

Sprint due Wednesday Oct 19, 2016

Revision 1 on Saturday Oct 1, 2016

We have two main users. Property owners, and property renters.

Goal

The goal of sprint 1 is to be able to create an account. As an owner, I want to be able to post my parking space as available to rent. As a renter, I want to be able to check into a parking space.

Team Roles

Raul - project owner, developer

Joshua - scrum master, developer (database)

Matt - developer, UI designer

Tyler - developer

David - developer (backend)

Colin - developer (backend)
