Product Name: SPACE
Team Name: Team Voyager
By: Colin Au, Matthew Kim, Tyler Tagawa, Joshua Pena, Raul Lopez, David Sun
Release Date: 11/23/2016
Revision Number: 1
Revision Date: 10/3/2016

High level goals:
- Be able to
    - Create a ReactJS Application
    - Visually find available parking using a list or map view.
    - Make an account
    - Post available parking spaces
    - Reserve parking spaces
    - Use continuous integration and prototype testing to ensure the application is always working.
    - Handle money transactions through the app.
    - See reviews for the owner and renter.
    - Make a long term agreement between owner and renter.

Sprints:
- **Sprint 1**
    - *Story Points (17) - User Story*
    - 5 - As a user, I want to be able to create an account
    - 3 - As an owner, I want to be able to add a parking spot listing.
    - 3 - As a renter, I want to be able to checkin a spot.
    - 2 - As a renter, I want to be able to checkout of a spot
    - 2 - As an owner, I want to be able to remove a listing.
    - 2 - As an owner, I want to be able to view a listing of available spots.

- **Sprint 2 (TBD)**
    - 8 - As a renter, I want to be able to visually see where parking spots are available, so I can pick the best spot from my location.
    - 8 - As a parking owner, I want to easily be able to claim the money form the renter. As a user, I want to easily pay.
    - 3 - As an owner, I would want to be able to set time duration for renters.
    - 3 - As a owner, I want to be able to accept a request from a renter.

- **Sprint 3 (TBD)**
    - 5 - As a renter, I want to be able to request a parking listing.
    - 5 - As a user, I would like long term parking.
    - 2 - As a renter, I would want to be able to see a rating of the parking owner to know how reliable they are.

- ○ 8 - As an owner, I want to set guide lines on a charging system.

Product Backlog:
- 5 - As a renter, I want to use a third party navigation app to get to where i'm going
- 2 - As a renter, I would want to be able to see a rating of the parking owner to know how reliable they are.
- 2 - As a parking owner, I would want to be able to see reviews of the person I am renting to so I can see how courteous and reliable they are.
- 3 - As a parking owner, I want to be assured that the renter will be gone by the time they specified otherwise overtime charge.
- 3 - As a owner, I want to be able to accept a request from a renter.
- 3 - As a renter, I want to be able to be sure that my spot that I reserved will be open at the time I requested
